I would like to book the following version of a job posting on „makinggames.biz“:

☐ Single posting: ... Entries (95 Euros)*
(duration: 30 days)

Starting date.....

Starting date.....

Starting date.....

Starting date.....

Starting date.....

Starting date.....**

☐ Flat rate (595 Euros)*

Starting date.....

Duration month(s)

☐ Subscription (minimum contract
duration 4 months)***

* The price for a single posting is **95 Euros** (net plus VAT) for 30 days. The price for the flatrate is **595 Euros** (net plus VAT) per month. When booking please allow for at least three workdays' notice. All offers include promotion of the job postings on our Facebook page ("Jobs of the Week") as well as our monthly newsletter ("Jobs of the Month").

** If you have more than 6 entries, we recommend booking the flat rate.

*** After the initial duration of 4 months, the subscription extends automatically each month and can be cancelled at 30 days' notice. Included in the 4 months duration is 1 print ad (value: 1,990 Euros) in an issue of Making Games magazine to your choice. Starting at 8 months duration, the flat rate includes 2 print ads. By booking for 12 months, you will get 3 print ads plus 3 ads in the tablet version of our magazine for free (value in total: 8,970 Euros). For users of the subscription model we also offer an XML/JSON-tool for automatic job import. Other formats or individually programmed solutions are possible at an extra cost.
